

EVERY DOGGIE HAS ITS DAYCARE & BOARDING

Boarding & Medical Consent Agreement

This agreement applies to boarding services provided by Every Doggie Has Its Daycare & Boarding (EDHID). By initialing each section and signing below, the undersigned acknowledges full understanding and acceptance of the following terms:

Ownership & Requirements

Client Initials: _____

I certify that I am the legal owner or authorized guardian of the dog(s) listed below. My dog(s) must wear a safety collar while attending EDHID and must be current on required vaccinations (including Distemper, Rabies, and Bordetella), free from fleas, ticks, and lice, and not have been ill within the past thirty (30) days.

Health Risks & Supervision

Client Initials: _____

I understand that vaccinations are not a guarantee against illness and that my dog(s) may be exposed to contagious conditions. I assume full responsibility for any resulting care or treatment. While dogs are supervised, injuries may occur during play, including but not limited to bites, scratches, scrapes, or sprains.

Behavior & Handling

Client Initials: _____

I represent that my dog(s) is social and has not displayed aggressive or threatening behavior toward people or other animals. EDHID reserves the right, at its sole discretion, to remove my dog(s) from group play or place them in a separate holding area if behavior is deemed unsafe or inappropriate.

Release of Liability

Client Initials: _____

I hereby release, indemnify, and hold harmless EDHID, its owners, employees, and representatives from any and all claims, liabilities, damages, injuries, illnesses, or death arising out of or related to participation in daycare or boarding services.

Medical Authorization

Client Initials: _____

In the event of illness or injury, I authorize EDHID to contact my veterinarian or seek immediate medical treatment from the nearest licensed veterinary facility. I understand EDHID may act at its sole discretion in emergency situations and agree that I am solely responsible for all medical expenses incurred.

Pick-Up, Boarding & Fees

Client Initials: _____

If I or my authorized contact fails to pick up my dog(s) at the agreed time, I authorize EDHID to provide additional daycare or overnight boarding at my expense. Boarding is billed in full 24-hour increments beginning at the time of check-in. Early pick-up does not qualify for a partial-day credit, refund, or rate reduction, as the reserved boarding time is held exclusively for my pet. Pick-up beyond the 24-hour period may incur additional daycare charges. Holiday and holiday weekend stays require a two-night minimum and deposit. Cancellations must be made at least seven (7) days prior to drop-off for a refund. No refunds will be issued for no-shows or late cancellations. Limited Sunday and holiday pick-up/drop-off hours apply.
